BICOTTURA WALL TILE

CENTO PER CENTO

COLORS

DESCRIPTION

To mark its 100th anniversary, *Imola* has created *Cento per Cento*, a collection of double-fired wall tiles with a retro look revisited in a modern way. Bringing together a range of vintage colors on tiles with glossy or matte enamel, *Cento per Cento* transcends time. For a 50s look, you will choose pastel colors like Almond, Champagne or Acqua Verde; a style reminiscent of the 60s or 70s will be successful with bold colors like Viola or Giallo Scuro; the sober Bianco, Grigio and Grigio Scuro will fit a contemporary decor.

FORMATS

LUCIDO (glossy): 12x18 cm MATT: 12x18 cm

APPLICATIONS

Cento per Cento is ideal for an interior application on walls in your residential and commercial projects. ■ When laying, do not hesitate to create patterns by mixing finishes, colors as well as direction of the tiles. Note that there may be a slight variation in color between the matte and glossy finish for a tile of the same color.
