SISTEMT - GRANITI

SistemT

2017-06-19: **IMPORTANT MESSAGE** -----

Sistem_T Graniti and Cromie collections **will be slightly modified** for technical reasons. These modifications will only apply to the 30x30 size and all quality standards will remain as before.

As a result, it will not be possible to combine the 20x20 and 30x30 sizes in the Sistem_T Graniti series and it will only be possible to use the press-formed trims with a side of 20 cm (coved skirting, French skirting and relative accessories) with the 20x20 format. The new kits (1 for the 30x30 size and 1 for the 20x20 size) will be available soon with the updated colours.

2017-06-19: **MESSAGE IMPORTANT** -----

Les collections **Sistem_T** Graniti and Cromie **seront dorénavant légèrement modifiées** pour des raisons techniques. Ces modifications ne s'appliqueront que sur les formats 30x30 cm et les performances techniques demeureront inchangées.

En conséquence, il ne sera plus possible de combiner les formats 20x20 et 30x30 de la collection Sistem_T Graniti, ainsi que les moules formées à la presse ayant un côté de 20 cm (plinthes, plinthes françaises et accessoires apparentés) avec les formats 20x20.

Les nouveaux kits (1 pour le format 30x30 et 1 pour le format 20x20) seront disponibles sous peu avec les couleurs mises à jour.
