GLAZED PORCELAIN STONEWARE

THEKE TRAME

COLORS

DESCRIPTION

Theke Trame, by *Iris Ceramica* is a glazed porcelain stoneware collection available in six colors. The woven textures of carpets are perfect for creating exquisite surfaces with the perfect blend of visual fluidity and tactile refinement. Following the introduction of Sinkcera technology, the exploration of materials is expanding and reaching unprecedented levels of sensoriality. The perfectly synchronized movement of the surface and the image come together, creating a three-dimensional, pulsating and incredibly complex material. *Theke Trame* is an audacious collection for creating extraordinary decors.

APPLICATIONS

Theke Trame is ideal for an interior application on walls and floors, in residential and commercial projects (light traffic).
