Avvertenze/Warnings

Questa collezione si ispira alle piastrelle tradizionali fatte a mano e per questa ragione presenta differenze dimensionali tra i pezzi (sia in lunghezza che in larghezza). Queste differenze conferiscono carattere, senso di artigianalità ed elevato valore estetico. Consigliamo di posare i pezzi avvicinandoli e distanziandoli in modo che creino la fuga ideale e che il risultato sia di conseguenza armonico.

This collection reproduces traditional hand made tiles, this is the reason why there are slight dimensional differences between pieces (variable lengths and widths), which are part of the intended aesthetic. As a result, these diversities give the character, craftsman feeling and high aesthetic value. We recommend to lay the pieces by bringing them closer and spacing them so that they create the ideal joint and the result is harmonious.
