Come il compensato, la materia legno rivive nella sua essenza rinnovata. Una nuova texture per presentare il legno in 4 essenze diverse. Attraverso una superficie che, come il legno stesso, possa essere anche se ricomposto, adattabile ai diversi utilizzi della ceramica in ambienti bagno, cucina, living o in spazi commerciali. Il compensato viene reinterpretato attraverso gli strati che lo compongono, il legno ripreso nella sua materia ricostruita. Woodlines è il primo prodotto industrializzato di Unica con forti caratteri di unicità, realizzato con le più ricercate tecnologie digitali per creare forme, geometrie e tridimensionalità comunque diverse da una produzione standard. Completano la gamma decori realizzati con la sovrapposizione di tinte in secondo fuoco, mosaici e pezzi speciali per ampliare le possibilità compositive. Forte la caratteristica di Woodlines di integrarsi con altri materiali o con altre superfici ceramiche: l'idea di un legno trasferito sulla ceramica in maniera digitale può essere utilizzata, come lo stesso compensato, per arricchire mood stilistici diversi in qualsiasi ambito progettuale.

Revived wood in renewed essences, just like plywood, a new wooden texture in 4 different essences. As reconstructed wood, it is adaptable to different ceramic uses, as bathrooms, kitchens, living rooms or commercial spaces; as plywood is reinterpreted through its different layers. Woodlines is Unica's first industrialized product, with a strong unique character. Realized with latest digital technology to create geometric and three dimensional shapes, different from usual production standards. The range is completed with the realization of décor pieces, where colour is applied during second firing; mosaics and trim pieces expand the composition possibilities. Woodlines easily integrates itself with other materials or other ceramic surfaces: the idea of a wood digitally transferred on ceramic, can be used just like plywood, to enrich a mood style in any project.

Woodlines Losanga A/B mix colours 15x90 cm / 6"x36"
