## **BYO - CONNETTERSI CON LA NATURA**

Questa collezione in gres porcellanato di grande formato trae ispirazione dalla carta organica, fatta a mano con piccoli elementi di erba, paglia, grano, petali di fiori colorati e foglie provenienti dall'orto di un artigiano della carta. I colori neutri con piccole inclusioni allegre e colorate creeranno un ambiente che emana pace interiore e benessere, ottimismo, calma e comfort con un contatto diretto con la natura.

## **BYO – CONNECTING WITH NATURE**

This collection of large format porcelain tile draws its inspiration from handmade organic paper with small traces of grass, straw, grains, colored flower petals and leaves from a paper artisan's vegetable garden. Neutral colors with small but joyfully brilliant inclusions will create an ambience that exudes inner peace and well-being, calm optimism, and comfort with a direct contact to nature.

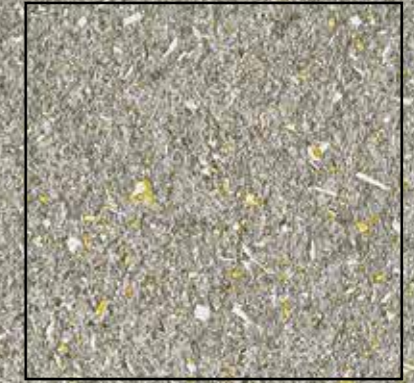

## **BYO – VERBINDUNG MIT DER NATUR**

Diese Kollektion großformatiger Feinsteinzeugfliesen ist inspiriert von handgefertigtem Bio-Papier mit kleinen Spuren von Gras, Stroh, Körnern, farbigen Blütenblättern und Blättern aus dem Gemüsegarten eines Papierhandwerkers. Neutrale Farben mit kleinen, aber fröhlich leuchtenden Einschlüssen schaffen ein Ambiente, das innere Ruhe und Wohlbefinden, ruhigen Optimismus, und Behaglichkeit mit direktem Kontakt zur Natur ausstrahlt.

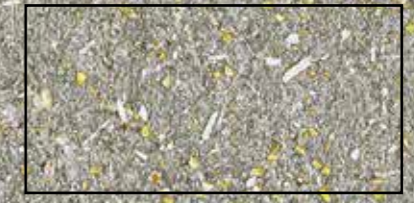

## **BYO – SE CONNECTER AVEC LA NATURE**

Cette collection de grès cérame grand format s'inspire du papier bio fait à la main avec de petites traces d'herbe, de paille, de grains, de pétales de fleurs colorées ainsi que de feuilles du potager d'un artisan papetier. Des couleurs neutres avec de petites inclusions mais joyeusement brillantes créant une ambiance qui respire paix intérieure et bien-être, optimisme serein, et confort d'être en un contact direct avec la nature.
