DESCRIPTION

Creative Concrete by *Imola* is a full body porcelain stoneware whose irregular and rough surface recalls concrete. Available in five neutral colors, *Creative Concrete* stands out by its *Losanga* floor tiles, its hexagonal mosaic tiles and its *Mayfair* decor tiles, which are delicately engraved with ornamental Art Nouveau patterns. The *Nero* tiles and the corresponding hexagonal mosaic blend harmoniously with wood furniture and golden accessories for a trendy decor. *Creative Concrete* will translate in a look that is both rough and chic, whether in a residential or commercial environment such as a restaurant or bistro.
