GENESI13

6,5X13,2CM
2.5"X5.2"
10MM

Un formato che porta ai minimi termini e all’essenziale una ceramica ricca di stile.

6,5x13 il formato nella purezza dei colori, la struttura che diventa motivo di posa e non solo ornamento.

A very stylish ceramic tile in a size that reduces it to a minimalist and essential level.

6.5X13 cm wall tiles with a purity of colour, and a texture that gives them a pattern when laid, so that they are not just for decoration.

A large image showing a wall covered in various shades of gray and white tiles, arranged in a brick pattern. The tiles have different textures, including smooth, glossy, and matte finishes. The wall is part of a modern interior space with a white ceiling and a white wall on the left. The image is divided into two sections by a vertical line, with the left section labeled 'rivestimenti' and the right section labeled 'genesi13'.
