DESCRIPTION

Narciso, by *Emil Ceramica* is a collection of porcelain stoneware available in four colors. *Narciso* is an original collection inspired by the surfaces of antique mirrors, oxidized by atmospheric agents and dulled by the passage of time. The Frammenti decor made from mirror shards harmoniously arranged on the surface, together with the Gemma decor which reproduces old stylized decorations, adorn the collection, adding further stylistic reflections. *Narciso* is ideal for commercial and residential areas with a striking visual impact.

APPLICATIONS

Narciso is ideal for an interior application on walls and floors, in residential and commercial projects (light traffic).
